PlayHappy Café serves Caffe Ladro espresso drinks and other delicious, high quality beverages including teas, hot chocolates and smoothies.

We also serve wholesome and healthy breakfast, lunch, snack and dessert options, with a few indulgences, for adults and children alike.

Some of our food is brought in from local, high quality food purveyors and some we make from scratch (salads, soups, paninis, Mac 'n Cheese, hummus, Quinoa, Vegan Wrap and more) using fresh and local ingredients whenever possible.

Due to allergies, we strive to be peanut and tree nut free. We also have some gluten free, vegan and non-dairy options. We also strive to avoid serving products with high fructose corn syrup, artificial colors and preservatives, trans fats, high pesticide levels, and other items that aren't very healthy for our littlest patrons.

**\* Please do not bring outside food or beverages into PlayHappy Café. \***  
**\* Exceptions: Packaged pureed baby food, formula & water in your own personal container \***
